OVERVIEW

200 m² property for sale in Pla Real with many renovation possibilities.

In the district of Pla del Real of Valencia, we find this spacious 5-bedroom and 2-bathroom property, with many possibilities for making the home of your dreams.

The entrance leads to a spacious hall that offers a room that is currently used as a study. In front of this we find a bright and spacious kitchen which is ideal for spending time with the family whilst cooking. Next to the kitchen we find a toilet with direct access from the service lift.

Moving on we find a cosy and grand living room that completely crosses the whole property. The living room stands out for having really fantastic natural light due to the fact that it connects with the balcony on both sides.

Once past the living room, the property invites us into the night area where there are 4 bedrooms, one of them a master suite with a bathroom. There is a complete, bright bathroom for the remaining 3 bedrooms. This is, without a doubt, a property with great potential to become a renovated luxury home.

What's more, there is a parking space included in the price.
