OVERVIEW

Special penthouse with 2 bedrooms, one of which is an ensuite bedroom with an amazing terrace, in Turó Park.

Spacious penthouse with a large hall that gives access to a spacious glazed living room overlooking a large terrace that has a barbecue and chill-out area. Next to the living room, there is a large bedroom suite with its own open bathroom and views of the terrace.

The large terrace is decorated with large plant planters and teak floors.

The kitchen is spacious and glazed with access to its own very spacious terrace where you can enjoy a great evening. Next to the kitchen, there is a complete bathroom used as a guest bathroom and that serves the double bedroom and the living room.

The penthouse has plenty of light and panoramic views. It is a very exclusive piece in a highly coveted neighbourhood.

It should be noted that the lift does not reach the penthouse and that the property is registered as having less m² than it actually has. On the other hand, the work that was carried out has been notarised, so the habitable m² are purchased.
