OVERVIEW

Fully refurbished apartment of 62 m² with a balcony for sale on Carrer del Tigre.

Beautifully renovated property with original period features located in the Raval area of Barcelona next to Universitat metro, Sant Antoni and the Macba Museum with views of the Moritz factory.

The 62 m² apartment has been very well finished with typical Old Town charm and high quality materials, harmoniously blending modern features with the historical appeal of wooden ceiling beams and mosaic floor tiles.

The property has an open plan living – dining and kitchen area with a balcony that is accessed via floor-to-ceiling double doors. A guest toilet completes the living area.

In the night area we find 2 double bedrooms, one of which features a stunning designer bathtub in the bedroom and a separate en-suite bathroom with a toilet, sink and shower.

With a 4% potential rental yield this property would make a wise investment option as well as a very comfortable home in a historical neighbourhood of Barcelona city centre.
