Impressive 1925 country house of 1,013 m² with 6 bedrooms, situated on a 3-hectare plot with olive groves and overlooking the sea.

Lucas Fox offers this beautiful country house, built in 1925 and full of all the flavour of Andalusia. The house has 1,013 m² built divided into two buildings, the house with 1,013 m² and the rest, 200 m². It is located on a large 33,000 m² plot that has an olive grove of almost 90 units, as well as citrus and almond trees. And above all, this farm has spectacular views of the entire bay of Malaga.

The first floor has a landing, living room with fireplace, dining room, 2 bedrooms, kitchen, bathroom and a trellised Andalusian patio from which you can access a 2-bedroom apartment and an old Arabic kitchen with a wood-burning oven, as well as a bathroom.

From the patio and through the west exit, which leads to the stables, there are two warehouses of approximately 25 m² each.

And also from the patio, a staircase leads to a spacious room. Continuing to the left, we find another spacious area and finally, a bedroom. To the right, we find a bedroom and then, and adjoining, two bedrooms, the central one having more than 25 m².

From the last one, we access a landing that leads to the left to a bedroom, and to the right to an apartment with a kitchen, bathroom and 2 bedrooms, with beautiful views of the bay of Malaga.

In outbuildings, it has an old hermitage, two independent garages, a block on two floors as well as corrals. In a space of more than 100 m², also attached to the house is the original oil mill to restore, as well as a pool, of excellent construction of 12 x 12 metres, fed by one of the 2 wells that the estate has and that can be turned into a swimming pool.

The estate is to be entirely renovated and has enormous potential to become a dream home less than 15 minutes from the sea.
