Bright apartment to renovate with parquet flooring and high ceilings, for sale in a Modernist building in Valencia.

This 181 m² apartment, to be renovated, is in a modernist building with a lift currently for professional use yet with great potential for residential use. A renovation proposal is available for some rooms. The house stands out for its modernist architectural and decorative features, which give the property a special charm.

The apartment is composed of a hall, a large office, 2 adjoining offices of different sizes, a bathroom, storage space, a large multipurpose room and a further large room.

Its high ceilings, decorative carvings, wooden floors, beautiful stained glass windows and unique carpentry are the most remarkable features. The main room has large windows that fill the space with natural light which, together with the exquisite carpentry and a spectacular stained glass window, creates a unique property. The rest of the rooms also have features of this type. The entire apartment enjoys a ducted air conditioning system. The property is wheelchair accessible.
