OVERVIEW

A once in a lifetime opportunity to acquire a sensational 4-bedroom property on the main floor of an impeccable Modernista building in the Eixample neighbourhood.

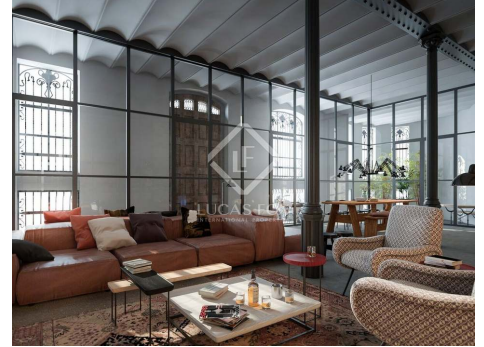

This is one of two residences (450m² and 502m²) that are genuinely unlike anything else in Barcelona, with a uniqueness that goes beyond the luxury elements and the unparalleled space they offer. Independently accessed from the vestibule via an imposing stone staircase, each residence contains a number of valuable architectural and decorative elements that form part of the history of Modernism.

The elegant, sophisticated interior design is the modern-day expression of the classic luxury and exclusivity embodied in the stately apartments of Casa Burés at the turn of the 20th century. The large rooms are as stunning now as they were in the building's heyday, and once again each apartment offers the ultimate in comfort and convenience.

This residence offers the possibility to acquire an exclusive home in an unparalleled Modernista building at the heart of Barcelona.

This residence in Casa Burés could be described as the perfect balance between original period charm and modern comfort. The original high ceilings and stained glass add a sense of light, space and character.

Casa Burés offers unbeatable interior and exterior communal areas including a fabulous terrace with an outdoor pool and an indoor pool, home cinema and gym for year-round entertainment.
