OVERVIEW

Fantastic property in a truly unique residential development with more than one hundred years of history and superb communal services, including 2 swimming pools. A once in a lifetime opportunity.

A sensational residence that is genuinely unlike anything else in Barcelona, with a uniqueness that goes beyond the luxury elements and unparalleled space it offers. Independently accessed from the vestibule via an imposing stone staircase, this residence contains a number of valuable architectural and decorative elements that form part of the history of Modernism.

The elegant, sophisticated interior design is the modern-day expression of the classic luxury and exclusivity embodied in the stately apartments of Casa Burés at the turn of the 20th century. The large rooms are as stunning now as they were in the building's heyday, and once again each apartment offers the ultimate in comfort and convenience.

Measuring 449m², this principal floor property consists of a wonderful living, dining and kitchen area as well as 3 bedrooms and 4 beautiful bathrooms. A 37 m² private terrace provides ideal private outdoor space.

The Casa Burés development offers owners access to services and amenities such as an indoor pool, gym, home cinema, wine cellar, work space as well as housing a professional kitchen and dining area, ideal for entertaining large groups of friends. The upper terrace offers an outdoor pool.
