OVERVIEW

Renovated apartment with high quality finishes of 165 m² for sale in an excellent location in L'Eixample.

The property has plenty of natural light due to aluminum sliding doors located on the balcony which transforms the dining room into a bright, open area.

It is currently being renovated to maintain the rich character of the typical apartments of L'Eixample, such as the mosaic floors, Catalan vaulted ceilings and part of the interior stained glass windows are being restored.

This property also boasts high-end finishes such as sanitary ware by Duravit and Villeroy&Boch and kitchen furnishings by Santos. Furthermore, here we find cutting edge-technology with the possibility of controlling the heating, air conditioning and lighting via a mobile phone or tablet.
