OVERVIEW

Attractive loft property in El Born. Ideal as a pied-a-terre at the historical heart of Barcelona.

At the heart of the Born neighbourhood of Barcelona Old Town we find this furnished loft apartment for sale.

The apartment offers a surface area of 83 m² and enjoys access to the building's communal terrace. There is 1 main master bedroom which is spacious and features an en-suite bathroom and a large glass shower. It is also possible to create a second bedroom. The living area is open plan with an attractive, bright living room and a kitchenette with a breakfast bar. The high ceilings feature wooden beams which remind us that we are in the historical part of Barcelona and, combined with the wooden floors, add warmth and character to the apartment.

The apartment has views of the street below, Banys Vells, and the beautiful Santa Maria del mar Church can be seen at the end.

The property does not require any renovation other than a fresh coat of paint. It has been decorated in a tasteful modern style and is being sold with the furniture.

An ideal investment property or pied-a-terre in the city for a single person or a couple looking to invest in a very well priced property in the Born neighbourhood.

This property is listed exclusively with Lucas Fox.
