OVERVIEW

Top floor, corner apartment with balconies and abundant light in a prime Barcelona city centre location.

This renovated 3-bedroom property is found on the top floor of a listed classic building dating back to 1880.

The building enjoys a great city centre location between Plaza Catalunya and Eixample Left, with everything on the doorstep.

All 3 of the bedrooms are spacious and have their own balcony overlooking the street. There are 2 doubles and 1 comfortable single. One of the bedrooms has an en-suite bathroom and a dressing room. There are 2 bathrooms and a comfortable kitchen. The entrance hall is large and the property boasts vaulted ceilings.

Being located on the corner of the top floor of the building, this particular apartment enjoys views, abundant sunlight all day long and has several balconies.

This property would be an ideal home in the city centre, mid to long-term investment of an enviable pied-a-terre in Barcelona.
