OVERVIEW

A very stylish property in a corner building on one of the most coveted streets in Barcelona's trendy Born neighbourhood.

In a corner building dating back to 1936 with a lift, we find this splendid, newly renovated 3-bedroom apartment with high-end finishes and designer features.

Thanks to its position in a corner building, this property enjoys abundant natural light and offers 6 balconies with street views. There are 3 bedrooms in total, 2 of which are doubles with en-suite bathrooms and 1 which may be used as a study or guest room with a shower and sink.

The generous size living room (40 m²) features gorgeous high ceilings with wooden beams and original ceiling paintings, dating back to the beginning of the twentieth century. The kitchen is well equipped with all manner of appliances, including 2 wine fridges.

Situated on Carrer Sant Pere Mes Baix, this property enjoys an enviable location in one of the Born's most coveted areas, especially as this particular street has recently been fully renovated and is a lively and very attractive shopping street.

This apartment would make a fabulous city centre home for a small family or a couple and is presented in brand new condition.
