3-bedroom apartment with terrace for sale in the Gothic Quarter

3-bedroom attic apartment for sale in an excellent location with a 35m² terrace and city views.

This fully renovated 3-bedroom attic apartment measures 72m² with an additional 35m² private terrace. The apartment receives lots of natural light due to being an attic property. It is an attractive combination of old and new as the building dates back to 1900 but has undergone total renovation, including the installation of a lift. The apartment has 2 single bedrooms and one double bedroom, all of which receive plenty of natural light. The bathroom is modern and fully equipped. One of the main attractions of this property is its fantastic 30m² terrace which still has its original flooring and offers views over the Gothic Quarter. The apartment has been totally renovated to a high standard and is ready to be moved into without any further work.

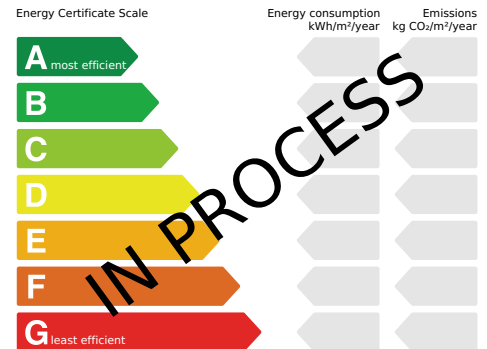

In an enviable location just a few steps away from Plaza Sant Jaume and Via Laietana, the apartment is ideally positioned to enjoy the neighbourhood with its many bars, restaurants and unique shops. There are metro stops and bus services nearby.

This apartment could be an ideal second home for or an interesting option for hoping to benefit from the 'Golden Visa' scheme.
