This elegant apartment with a built area of 67 m² was renovated just 2 years ago and is spread over 2 levels. We enter on the upper level where we find a double bedroom and a single bedroom that is currently used as a dressing room. Also on this floor are the complete bathroom with a shower and a little study area concealed behind a wardrobe.

A few steps take us down to the large living room – dining room with a modern kitchen integrated into the same space, featuring a cylindrical extractor fan and minimalist finishes. The brilliant white walls and oak flooring create a chic, clean, modern atmosphere and the large windows bathe the property in abundant natural light and offer pleasant views of the interior patio.

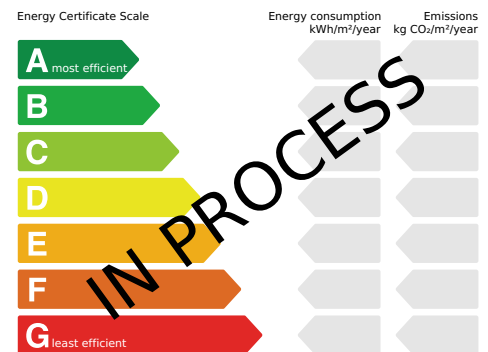

Additional features of the property include a large parking space in the same building and included in the price. Apart from the building's central patio, which is public during the day and private at night, there is a rear patio which is reserved for property owners in this building.
