€1,500,000 Plot - Sold

Large 6300m2 Costa Brava building plot for sale with panoramic sea views. Potential to build up to 4 houses. Overlooking Aiguablava bay

South east facing plot. Possibility to construct up to 3900m2. 3km from Begur and Aiguablava beach

This superb, south facing 6300m2 plot is located in the sought-after residential estate of Ses Costes in Aiguablava on the Costa Brava.

One of the largest plots on the hillside, the land provides a unique opportunity for a buyer to construct a large, detached residential property in a prime area of the Costa Brava. The plot can also be segregated into 4 separate plots, allowing for the construction of four individual detached properties.

The land is located towards the top of the Ses Costes estate and has access from the road above and below. To one side of the plot is protected land.

The land enjoys sunshine all day long and offers some of the most beautiful, panoramic sea views imaginable.

The plot is just a few minutes drive from the centre of Begur, the pretty medieval village, and only 45km from Girona and its international airport.
