OVERVIEW

Contemporary design 5-bedroom house with sensational sea views and direct beach access , in an unbeatable location in an exclusive, private gated community.

This exquisite Costa Brava first line property to buy is located overlooking the idyllic bay of **Aiguablava** in a private gated community of only 4 other neighbouring residential properties, and is one of the few properties in the **Costa Brava** to benefit from direct beach access.

The house is located in tranquil, scenic surroundings, with unbroken views across the bay - without question one of the best plots on the **Costa Brava** coastline. From the end of the plot is a path that leads directly to the beach below. From here it is possible to follow the coastal path to the exclusive **Aiguablava Hotel** in one direction and to picturesque **Aiguablava beach** in the other.

This superb Begur luxury property to buy was constructed in 2008 and has been finished to a high standard with great attention to detail. The residential community is completely private and can only be accessed with a security protected code.
