### OVERVIEW

## Stunning luxury twelve-bedroom villa for sale in the countryside near Marbella, with a swimming pool, garages, and independent house and sea and mountain views

From its hill-top location in Benahavís, this stunning villa boasts beautiful views over the valley, all the way down to the Mediterranean Sea, the coast, the North of Africa and La Concha Mountain.

The 2,130 m<sup>2</sup> property consists of two separate houses. The main house was built in the 1970s and was refurbished late in the 1990s. Its entrance hall, decorated with Balinese finishes, opens onto a living room with a fireplace and a formal dining room, both of which have access to a big terrace. The lovely Clive Christian kitchen has a fireplace and is next to a laundry room, a breakfast room, a walk-in safe and a reading room with a terrace. There is also an office on the ground floor, where you will find a staircase leading into a further lounge and library, located on the first floor. This room is connected to the main ensuite bedroom, which has a walk-in shower and a bath, surrounded by four pillars, a toilet and a walk-in wardrobe. The first floor also comprises two ensuite bedrooms with terraces and a further bedroom in the tower.

The stable house has two ensuite bedrooms, which share a living room and terraces, on the first floor, and two further ensuite bedrooms, a living room and a kitchen on the ground floor.

The second house, built in 2000, is divided into two separate buildings, both with a kitchen, a dining room, a living room, two ensuite bedrooms and a shared utility room and bedroom between the two.

The plot measures 11,000 m<sup>2</sup> and has several levels with lush and green gardens, a heated swimming pool, a pool house, changing rooms and terraces. There are also two outdoor parking areas and two double garages.
