Enjoy the high life living in this luxury home for sale, located in an area with exclusive amenities

1,500m² of luscious interiors filled with potential, high-end installations and a modern exterior

The structure of this fantastic property for sale has been designed to fit elegantly into its natural surroundings. Earthy materials have been selected for construction and their pure lines flow harmoniously with their surroundings. This is without a doubt the most eco-friendly house in the area.

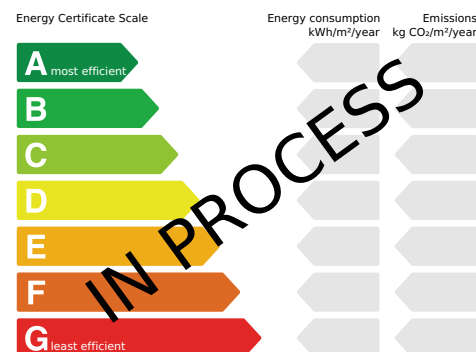

There is a stylish exterior swimming pool and an interior spa with stunning views over the area. Although you are only 15 minutes away from the city centre, when on this plot one feels secluded and away from the stress of the city.

Inside, the 3 floors are wide and carry huge decorative potential. Light inundates the entire home thanks to the large floor to ceiling windows.

75% of the house has been completed, which means that there is room to create and adapt to the buyer's needs and style. The price of the property includes the finish product (this can vary depending on the last incorporations).
