OVERVIEW

Dream penthouse located in the green and luscious Plaza de Oriente, just a stone's throw away from the Botanical Gardens and close to numerous amenities

This beautiful apartment for sale is situated on the fifth and top floor of a listed building. Recently renovated, the building is a marvellous example of 1900 architecture.

The apartment itself has also been recently renovated and professionally designed.

The property offers a large, open-plan living room set on 2 levels, one of which has access to a spacious 12m² terrace, from where you can enjoy views over the beautiful Royal Palace and the mountains.

The kitchen is fully equipped with modern appliances and sits near the original, iron, cantilevered staircase, leading to a large double bedroom and storage room.

Thanks to the property's double height ceilings and distribution (the rooms are all connected to each other) there is a fantastic flow of natural light throughout the property all year round.

The apartment is located on a side street and next to a pedestrian area, guaranteeing a quiet environment.

A fantastic opportunity for those looking for an investment property or an exclusive home in the authentic Madrid.
