### OVERVIEW

## This original interior, sunny, peaceful apartment in central Madrid offers fantastic large spaces with a great layout

In Madrid city centre, just seconds away from the popular Fuencarral market and the adjacent restaurants, we find the entrance to this building in which you can find this original property for sale.

This property is unique in the area thanks to its interior orientation and layout; the rooms look into a large interior patio which is filled with light, and the rooms are distributed in an L shape.

Each bedroom is at each end of the apartment, with the fully equipped kitchen and living areas in the middle.

It is difficult to find a apartment of such characteristics in the centre, therefore it is a great opportunity for a rental investment.

The property is suitable for up to 8 people.
