OVERVIEW

Beautiful country house for sale in North Mallorca with 2 bedrooms, offering the potential to add further bedrooms and bathrooms.

This charming country house for sale is tucked away at the end of a little lane in a lovely country setting neighbouring the Albufera National Park.

The house was built in 2000 using many beautiful antique features. Some of the doors, beams and windows date back to the 16th Century, creating a striking atmosphere of a century-old country house.

As not all of the allowed construction volume has been utilised, there is the potential to enlarge the house and create further bedrooms and bathrooms.

The property has extensive aviaries that are suitable for breeding as well as stables and other facilities that would be suitable for keeping horses.

The location is extremely tranquil, with no passing traffic.

A fantastic property offering great potential.
