### OVERVIEW

## 2-bedroom penthouse for rent, decorated to a very high standard, offering stylish and comfortable spaces

This penthouse for rent in the highly sought-after Calle Velazquez in Madrid's prestigious Salamanca area offers a magnificent open space filled with light and colour.

The luminosity is the apartment's most outstanding feature. Not only can you enjoy natural light, but lamps and indirect light fixtures have also been strategically situated to create a sumptuous and calm atmosphere.

The terrace is attached to the interior space and is used as an open dining area, protected by electric sliding glass panels which can be opened or closed, suiting the user's preference.

The interior has been furnished in very good taste, with decorations and furniture from all around the globe.

The sitting room sits perfectly between the dining area and kitchen, and features a gas fireplace.

The kitchen is "American" style, fully equipped and a joy for any foodies or cooking lovers as it has a gorgeous authentic oven/stove, and all modern fittings.

There are 2 bedrooms.

The master bedroom has a double bed and an ensuite bathroom with a walk-in wardrobe. Here, you feel a sensation of openness and space due to an original window that looks out from the room to the dining area.

The other bedroom is very cute, with a single bed and a desk, and a separate bathroom.
