### OVERVIEW

**350m<sup>2</sup> contemporary home, designed as a luxury loft with open spaces oozing style and sophistication. A slice of tropical heaven only 10 minutes from the centre of Madrid**

If you are looking to stay somewhere unique near the centre of Madrid and if you wish to relax and disconnect from the city life, this is the place for you.

Created by a trendy designer, this property for rent offers a New York loft style interior as most spaces are open and flow into each other.

The living areas sit on different levels on the main floor, invisibly separated by steps.

The iron, cantilevered staircase leads you to the master bedroom, with a quaint terrace which overlooks the luscious garden, and a bathroom so large you could actually live in it!

The south facing, floor to ceiling windows occupy the main façade of the building, with views over the terrace, pool, jacuzzi and tropical greenery.

For further luxury, there is a waterfall feature which projects water from the building's roof to the swimming pool.

An exceptional property!!
