A wonderful four bedroom penthouse apartment with sea views and a spacious roof terrace ideally located between Estoril and Cascais

This stunning top floor apartment has recently been decorated and has been finished to a very high standard. There is a large south facing living/dining room with double doors leading out onto the terrace. The room has a built in wood burning convection stove, marble floors and due to its position a very bright and sunny air. There is a spacious fully fitted kitchen which also benefits from a south facing aspect and direct access on to the terrace.

The apartment has four double bedrooms, two of which are suites and 3 of the rooms have fitted wardrobes. There is a further family bathroom and also a guest WC. The main feature of the apartment is the fabulous roof terrace which en-circles the apartment and offers large amounts of space for enjoying the sea views to the south, the Sintra hills to the north, Al Fresco dining and soaking up the Portuguese sunshine!

The apartment has heating and air conditioning throughout and has also been internally wired for sound in each room. It is serviced by a lift which gives you direct access to the large lockable garage with room for 4 cars and storage. The grounds of the apartment block are fully maintained and gated and there is a communal garden area with swimming pool and a small childrens play area.

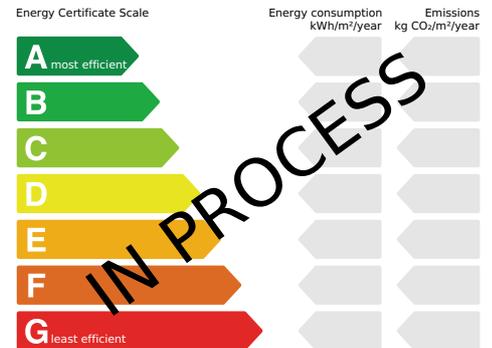

The apartment is located in Monte Estoril which is considered one of the best areas of Portugal. It sits above and between the fishing and sailing town of Cascais and the holiday destination of Estoril. There is easy access to the shops, restaurants and bars of both these towns as well as to the motorway which takes 35 minutes to Lisbon airport. The beach is a short drive as are a number of championship level golf courses.

This is a great apartment ideally located, finished to a high standard and with the added benefit of private outside space and sea views. A must see!
