OVERVIEW

Set in a large gently sloping plot within the Sintra National Park, this beautiful property enjoys an idyllic private location. Landscaped grounds with swimming pool and barbecue.

This unique country property for sale close to Sintra is in a stunning frontline location with panoramic 180° views over the ocean.

This 5 bedroom villa is in a superb, elevated cliff top position within the Sintra National Park - an enviable location on the edge of the unspoilt village of Assafora. Due to the strict planning laws within the national park no further building is allowed to take place in the area therefore this villa will retain its privacy and sea views.

The villa was carefully converted from an old agricultural building which is the reason it has this unique location in such a truly idyllic spot.
