2-bedroom apartment in residential complex with sea and town views

Great apartment located in a residential complex with stunning views of Sitges centre and the sea.

This spacious apartment offers gorgeous views of Sitges and the sea. The apartment has been carefully maintained, only used for holidays and therefore needing a light renovation.

It currently offers 2 large bedrooms, an 18 m² kitchen, large living room, study and 2 bathrooms. The apartment has marble floors throughout and plenty of built-in wardrobes for storage. The original plan had 3 bedrooms and the study could be converted back into a separate bedroom accessed from the hallway instead of the living room area if wished.

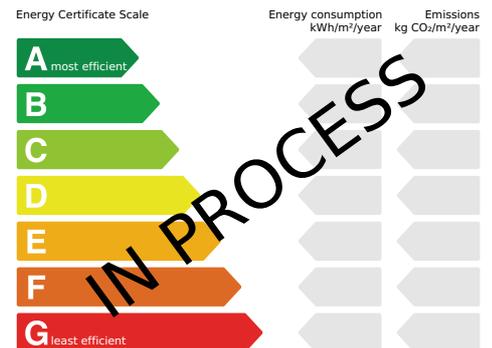

The complex is located in the Santa Barbara residential area, just a short 3-minute drive from Sitges centre, with excellent bus links, or a 20-minute walk or bike ride along the designated bike track which is being transformed into a tarmac road.

The elegant complex offers a swimming pool and mature garden areas.
