### OVERVIEW

### Beautiful, spacious home with large windows and an impeccably maintained terrace, boasting several large bedrooms and living areas

This penthouse property in Pla del Real in Valencia has been decorated with more than a touch of class and welcomes you in through its 16m<sup>2</sup> entrance hall, which in turn leads on to a very spacious living room and dining room, divided into separate areas and featuring a decorative vaulted ceiling. The white lacquered doors with bevelled glass, the wooden flooring and white woodwork creates a warm atmosphere throughout the property. Large windows are found all around the living room and even a patio door leading to the large terrace with views over the peaceful street below, next to Los Viveros Park.

The layout consists of 5 bedrooms, all with fitted wardrobes and 3 complete bathrooms. There is a service area and entrance. The kitchen is spacious, modern and fully-renovated and equipped. The property benefits from gas heating through radiators and there is a fireplace in the living room.

A gorgeous family home.
