OVERVIEW

Elegant apartment with 4 bedrooms in a renovated building next to Valencia's Town Hall

In one of the best locations in the San Francesc district, right next to the City Hall of Valencia, we find this elegant property for sale renovated with quality materials.

The apartment is located on a high floor, bathed in natural light, thanks to a viewpoint with a balcony overlooking the street and a series of windows that open to the outside along a corridor. It offers 4 bedrooms, one of which is currently used as a study, 2 private bathrooms, a separate living room - dining room, a kitchen with access to a service area and a separate laundry area.

The apartment has a storage room located on the communal terrace. There is the possibility of acquiring a parking space in the same street.

Ideal property to live in and have an office in as it includes a waiting area with a bathroom that can be separated from the rest of the home by a door.
