OVERVIEW

This apartment comes with a storage unit and a parking space in the nearby square Vazquez de Mella. The building has an antique restored lift with the inscription of a celebrated Spanish writer.

Located on the 5th floor of this building in Madrid centre, this apartment has windows in each of the rooms. The exterior ones look out to Madrid rooftops and a gorgeous "Paris-style" building.

The living room is spacious and sits near the kitchen, which has been enlarged in recent years.

There is a spacious exterior double bedroom with a wide closet. The second bedroom is used as an office but could also be a single bedroom.

The shared bathroom has a hydromassage shower and also has space for a bathtub.

This property is a fantastic opportunity for those looking for an investment in the centre of the city, as it offers location, space, light and views.
