Spacious, stately 5-bedroom property for sale in Chamberi, Madrid

Elegant sixth floor property with a generous surface area and plenty of natural light thanks to the many windows and balconies.

Located at the intersection of 2 wide, tree-lined streets in the Chamberi area of Madrid city centre, we find this sixth floor property for sale with 5 balconies and views of Glorieta de Iglesia.

With a generous surface area of 290 m², this high floor corner apartment is full of light and is found in a classic 1960's brick building, close to bus stops, a metro station, hotels, shops and the British Council International School.

There are 2 separate entrances to the property; one through the main door, leading into the entrance hall and on to the living room, bathrooms and kitchen via a corridor, and the service entrance which offers access to the kitchen.

With its current L-shaped layout, the property offers 5 bedrooms, including the very spacious master bedroom of approximately 40 m² with a dressing area and en-suite bathroom and 3 other shared bathrooms.

The living areas, 4 of the bedrooms and the en-suite bathroom all overlook the street while the kitchen and one bedroom face the inner courtyard.

This property offers a spacious kitchen, pantry and dining area, generous sized bedrooms and renovated bathrooms.

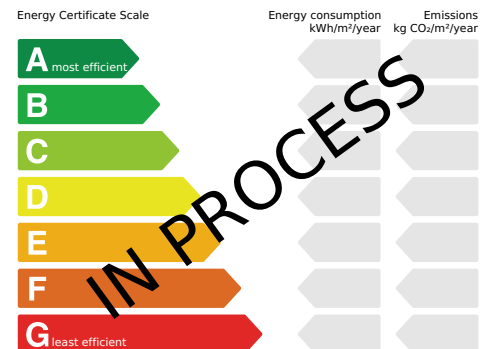

The building has 2 lifts, a concierge service and, although it does not have parking facilities, there are garages available nearby.

A rare opportunity to acquire such a spacious high floor corner property in Madrid city centre.
