€2,100,000 Apartment - Sold

Beautiful contemporary property with elegant interior design and all furniture included in the sale.

Spacious, bright apartment located on the first floor of a 5-storey building on Calle Recoletos with 3 bedrooms and a beautiful private inner courtyard.

In a beautiful building which is completely new inside and has an original 1920's façade, located on Calle Recoletos, we find this recently renovated 204 m² apartment for sale.

The apartment is on the first floor with the main door right outside of the lift. The main entrance is through the hall, which has one bathroom. From the hall we find access to the living room and kitchen to the right, with views over Calle Recoletos.

The living room contains a spacious open kitchen, covering an area of approximately 100 m² all together. The kitchen leads to a private inner patio, which belongs to the apartment and is undoubtedly the highlight of this property.

There are 3 bedrooms and 3 bathrooms in total. The master bedroom measures a generous 40 m² with a dressing room and an en-suite bathroom, and it faces the building's inner patio, which is full of vegetation. The second double bedroom overlooks the private patio. The third bedroom is a single.

All spaces of the house are elegantly decorated with contemporary furniture which is all included in the price of sale.

The building's communal inner courtyard features an Asian-inspired garden with water features and stone benches. The building also has a gym, several lifts, a concierge service and a common room for private celebrations.

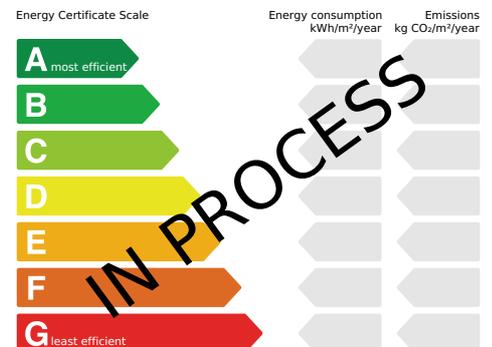

Although the property does not have a parking space, there are plenty available in neighbouring garages.

A spacious, bright, recently renovated apartment with high quality finishes in a beautiful city centre neighbourhood.
