180m² Floorplan

OVERVIEW

Spacious, bright 180 m² apartment with 3 bedrooms and 3 bathrooms for sale in the Almagro neighbourhood of Madrid.

Spacious and bright 180 m² corner apartment with 8 south and west-facing windows on the first floor of a classic building in Almagro; a great location in Madrid centre. The building has a lift and concierge service.

This property has recently been renovated and offers a functional layout with a total of 3 bedrooms and 3 bathrooms. The entrance hall is particularly large, with plenty of storage space and a guest toilet and leads, on the right, to the living room and dining room via a sliding wall.

Next to the living room we find a bedroom. From the hall on the left we find the kitchen and a corridor leading to the 2 remaining bedrooms. The 3 bedrooms have en-suite bathrooms and the master bedroom boasts a walk-in closet.

The property is finished to a good standard with tasteful, neutral decor and wooden flooring. It is presented in move-in condition with no renovation work necessary whatsoever.

This apartment would make an excellent, centrally located home or a sound investment given that there is great demand from students and families for rental properties in this area of Madrid.
