OVERVIEW

2-bedroom penthouse property to buy and renovate at the heart of the Jerónimos neighbourhood, with views of the Botanical Gardens.

In a building with a classic early twentieth century façade, in the Jeronimos neighbourhood of Madrid, we find this 140 m² penthouse property for sale. The location is ideal for experiencing life in the city centre, with Atocha train station, Retiro Park and the Prado Museum all just a stone's throw away.

On entering the property we find a spacious, bright, peaceful living room to the right with large windows. To the left we find 2 bedrooms with 2 en-suite bathrooms, a toilet, the dining room and the kitchen at the end of the corridor.

The property has great renovation potential. Currently, the layout is designed with the terrace integrated into the living room but it could be renovated to convert it into a 20 m² open air terrace again and the kitchen could also be integrated into the living room.

This property would be ideal for a couple or family wishing to live in an affluent neighbourhood with the best parks, museums and restaurants on the doorstep.

A rare opportunity to buy a penthouse in a stately building in this neighbourhood, with the added advantage of being able to buy or rent a parking space in a garage close to the building.
