Modern 3-bedroom apartment with a communal pool for sale in Chamartin

Renovated, contemporary-style 3-bedroom apartment located in one of Madrid's iconic modern buildings on Avenida de America with an outstanding rooftop garden and swimming pool.

We find this stunning 236 m² 3-bedroom apartment located in the emblematic building of Torres Blancas, on Avenida de America, in the Chamartin area of Madrid City. The unique shape of the building with its futuristic style is considered one of the best examples of organic architecture of the XX century and it boasts some exclusive communal services, such as a concierge and 24-hour security service, a swimming pool and solarium on the roof top, parking facilities and a storage room.

Located on the second floor, the property offers wonderful, unobstructed views and complete privacy thanks to its mirrored windows. The various windows on different sides means that the property is always flooded with natural light. The generously sized property offers a spacious living room, modern kitchen, 3 bedrooms and 2 bathrooms. One of the bedrooms has its own en-suite bathroom and there is also a play or study area to be used as desired.

The apartment was fully renovated only 3 years ago, in a contemporary style, with clean white walls and an air of simplicity. There are some elements which are protected as part of the construction, such as pillars, window frames, tinted glass and banisters. It is the elegant combination of original and contemporary features that makes the property unique.

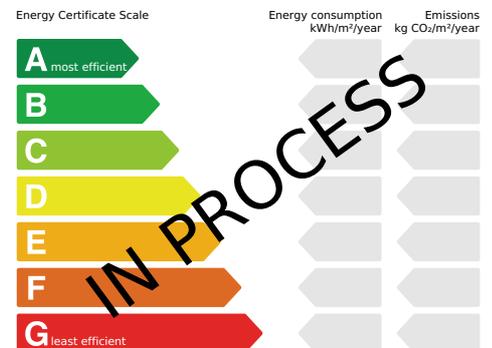

For even more impressive views we can access the communal rooftop garden with its solarium and circular swimming pool. Here we can enjoy the best 360° views of the city. This is the perfect place to enjoy the nice weather and the best sunsets.

An excellent option for investors, families and architecture enthusiasts.
