OVERVIEW

Well appointed 3-bedroom property with exquisite interior design and excellent quality finishes and natural light, in the centre of Madrid.

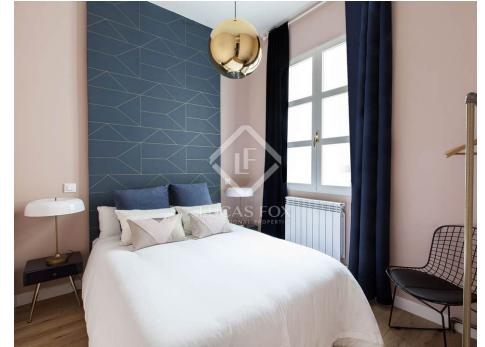

Very stylish renovated and furnished apartment located on the second floor of a turn-of-the-century building with a lift, found on a small street close to Plaza de Callao and Malasaña. This is a superb central location with all services, amenities and public transport links nearby.

On entering the apartment a small flight of stairs takes us down to the fabulous living and dining area with 3 windows that provide abundant natural light and views of the rear patio. Next to the living area we find a well appointed kitchen with Bosch appliances and then the 3 bedrooms and 2 bathrooms, one of which is en suite. There is gas central heating and air conditioning in all the bedrooms.

No renovation is required as the property has been fully refurbished to a high standard and is surprisingly bright and airy for an interior apartment.

This property has enormous potential for both investors looking for great rental potential and young professional couples, principally due to the size, location and quality of refurbishment.

Ready to move in immediately.
