Excellent range of 1 to 3 bedroom apartments for rent in Almagro

Ample range of 1 to 3 bedroom apartments for rent in an emblematic 19th Century building in Chamberí, Madrid.

Within an emblematic building dating back to the 19th Century we find this superb range of apartments in the Calle Sagasta. The development is made up of 22 apartments in total ranging from 1 to 3 bedrooms and 57m² to 230m², properties to suit the needs of a variety of clients. Each apartment is unique with its own personality and character allowing clients to select their preferred style.

Although the elegant façade hints at the Modernist character, it is the entrance hall that takes us to the heart of Parisian 'art nouveau'; the hallway and stairs adorned with painted plasterwork, both elegant and beautiful. Each apartment retains Modernist touches and is comprised of a large living room, kitchen, bedrooms and bathrooms. The apartments have been carefully decorated; different furniture and textiles make each property unique. On the first through to the 4th floor there are 5 different types of apartment whilst the attic properties are found on the 6th floor.
