### OVERVIEW

## Generous 5-bedroom, 5-bathroom, 3-storey villa on a 1,180 m<sup>2</sup> plot for sale within the La Sierrezuela residential area.

The house measures approximately 450 m<sup>2</sup> and consists of 3 floors with double glazing throughout and underfloor heating on the ground and first floors.

On entering we find a grand entrance hall which leads us to the spectacular, airy living room – dining room with arched windows and polished marble floors that give the spacious, elegant rooms a palace-like feel. This central living area leads out to the terrace. Outdoors we find a pool, barbecue area and plenty of places for outdoor dining or relaxation. The courtyard also boasts a wonderful 8-person jacuzzi with a TV and DVD player.

Going back inside, next to the living room we find the fully fitted kitchen. There are 5 bedrooms in total and all of them are doubles with fitted wardrobes and en-suite bathrooms. Some of them also have their own dressing areas.

In the basement we find a boiler room, a cinema room and a multi-purpose room which can be used as an entertainment area or garage. Private parking for several vehicles is provided on the plot.
