OVERVIEW

A 240m² house built on a 800m² plot located on a pine-covered hillside with views up the Maresme Coast.

Built in the 1970s by a well-known architect, this 5-bedroom house for sale in Premia de Dalt was designed to blend-in with its natural surroundings and make the most of its lovely views.

At street level, the main entrance hall, living room and study are divided by large sliding doors which can be opened and closed to create more or less space. Also on this level is the kitchen (renovated in 2010), dining room, outdoor dining area and guest WC. Downstairs there are 3 double bedrooms (2 suites) all with direct access to the garden, 2 further bedrooms, an additional bathroom and a utility room.

Outside, the garden features a 2-car garage, off-street parking, a swimming pool, a lawn and pine trees. The property is located just a couple of minutes' drive to the centre of the attractive village of Premia de Dalt. Barcelona can be reached in just 25 minutes.
