OVERVIEW

A 273m² south-facing house with a wrap around terrace and private pool in a lovely village in the Maresme hills.

3-storey family house built in 1965 and renovated in the year 2000 with a wrap around terrace offering 180° sea views.

On the ground floor we find a living room – dining room with a cosy fireplace and access the enormous terrace with sea views. The rustic-style kitchen has a dining area with a log burner and also has access to the terrace. On this same floor we find a guest toilet.

The upper floor offers the sleeping quarters, consisting of 2 double bedrooms, 3 singles and 2 bathrooms. Although none of the bedrooms has an en-suite bathroom, it would be easy to install one in one of the spacious double rooms.

The basement houses a fantastic 60 m² independent apartment with a bright living and dining room, an en-suite double bedroom, a single bedroom, a bathroom with a shower and a complete kitchen; ideal for guests or a member of the family.

The property has a garage at street level.
