OVERVIEW

This is a truly stunning modern villa in Quint Mar with sea and mountain views and fabulous interior design.

This spectacular designer house for sale in Sitges is located in Quint Mar, a residential area close to Sitges town centre.

The house has a constructed area of 232 m² and is on a plot of 448 m² with a wooden terrace and an infinity swimming pool to the front as well as a rear garden.

On the ground floor there is a storage room, office space and a large garage, which can be partly converted to provide additional living space if necessary.

The first floor is where we find the open-plan living room – dining room and kitchen with a fireplace and access to the pool terrace. A pantry and guest toilet complete this floor.

The 3 double bedrooms, including the en-suite master bedroom, are on the second floor along with a family bathroom. The third and final floor is occupied by a fantastic roof terrace with panoramic sea views.

The house is rented out long term until 2022. It is available to buy, but only with tenant, which makes this an excellent investment opportunity.
