OVERVIEW

Spacious, bright 188m² apartment with great renovation potential and clear views, for sale in an elegant building in the Gran Via area.

Just 100 metres from Palau de la Musica and the old Turia River bed, in one of the greenest areas of Valencia, we find this large 188m² property in the Gran Via area of Valencia.

This is a corner building which means that it enjoys plenty of natural light and clear views from most rooms and all day long.

It currently consists of 5 bedrooms and 2 bathrooms, as well as a kitchen and large living areas with huge renovation potential to adapt it to the buyer's taste. The high decorative ceilings give the property its stately character which is so typical of Valencia's Eixample area and make this an exclusive property.
