OVERVIEW

Charming, peaceful property in an emblematic building at the heart of the city, with large windows and a monumental façade and pleasant private interior patio.

On entering this property for sale in the heart of Valencia City, we notice its charm and unique character. The property immediately surprises us with the warm atmosphere in its interior.

A cosy hall gives access to 3 main rooms and a landing that leads to the bedrooms and the service area. The living area connects directly with the outside through large square windows, offering direct views of the front of Colón Market.

The sleeping area is located on the opposite side to the main facade, and the bedrooms extend out to a leafy terrace with a beautiful courtyard. The service area and other additional bedrooms are located in the middle section of the property and they receive light from 2 renovated patios.

The large windows, top quality carpentry, the cosy atmosphere, the degree of privacy in the patio, the careful maintenance of ceilings and flooring and the level of construction of this property make this villa-like apartment the perfect home for a true city dweller.
