Distinguished modernist property for sale with plenty of light and lovely views from Porta de la Mar to the Turia Gardens

Wonderful property in elegant building next to Colón Market, with 6 main south-facing rooms with balconies and large windows offering panoramic city views.

We proudly present this property for sale in an elegant building located a few steps from Porta de la Mar.

Its 9 windows in the facade of the building and balconies that surround it, offer a panoramic view of the city and abundant natural light. The layout of the property has been designed to accommodate its corner location so that all living areas and bedrooms open to street views.

The main hall leads to the living area, a reading area, the dining room and a landing that leads to the bedrooms and the service area. 2 rooms have spectacular views, and the third, a multipurpose room, is more tucked away. Both the kitchen diner and bathrooms are located in the interior section of the property with the other rooms organised around them.

In short, a perfectly organized layout to ensure that all areas enjoy sun and views in the city centre.
