OVERVIEW

Contemporary elegance in this beautiful property with large windows overlooking one of the city's main tree-lined avenues with 3 bedrooms and 2 interior patios.

This contemporary style property offers a layout which places the living area and the kitchen diner next to Gran Avenida.

The main living space has an oblong shape and is very bright thanks to the charming vertical windows.

The bedrooms contain large fitted wardrobes and are directly connected to the terraces over the interior patios. The 2 bathrooms are complete, and one of them is included in the master bedroom.

This property is characterised by its ideal central location and by the tasteful combination of materials and colours used in the renovation project.
