OVERVIEW

In one of the most privileged locations in Valencia, very close to the centre, we find this almost 200m² property with large windows and views over the largest green space in the city.

This distinctive curved building has both a main entrance and a service entrance through a fabulous hall. The property is located on the eighth floor, meaning it receives plenty of sunlight and enjoys magnificent views.

From the hall you enter the large living room with panoramic windows and a hall leading to the bedrooms. The living room windows frame the city buildings and the terrace provides the ideal place to rest or have a drink in the fresh air while still being protected and under cover.

The 5 bedrooms are bright, 2 of which overlook the river and have storage areas. Finally we come to the service rooms, 2 bathrooms, a generous kitchen with dining area and an additional fifth room. In addition, the price includes a parking space in the building.

A great property in a prime location with views and an ideal layout.
