### OVERVIEW

### Apartment renovated with quality materials and finishes in the City of Arts and Sciences area, close to Valencia city centre.

In one of the most up-and-coming areas of Valencia we find this wonderful property, which combines quality, light and location with a very competitive price. Located between the City of Arts and Sciences and Valencia city centre, and just steps away from Sporting tennis club and the riverbed, this property welcomes us with incredible natural wood floors that give a flowing, uniform feel appearance throughout.

Upon entering, we reach a spacious dining room, which features a huge glazed area that will provide light even on the darkest days. Next to this is the master bedroom with exterior views and en-suite bathroom as well as ample storage space. The rest of the rooms are reached via the corridor, where we also find another bathroom and, at the end, 2 double bedrooms. Both are very bright and have fitted wardrobes. Beside this we have a large kitchen for comfortable daily living. The apartment has air conditioning ducts and heating, as well as a garage and storage space.
