OVERVIEW

Beautifully restored duplex with terrace in Valencia Old Town.

In the most elegant area of the historic centre of Valencia, we find this unique apartment in a building that oozes history on all four sides. A peaceful hall space gives us access to a fully restored early twentieth century lift. The property is spread over 2 floors with 2 separate entrances, should they be needed. The apartment has unique high ceilings that have been lovingly restored to their former glory with gold leafing.

The entrance gives access to a huge dining room which has been carefully designed right down to the last detail, with marble floors throughout this whole floor of the property. The living room gives access to a sitting room with wonderful ceilings and its own fireplace. Here we also find access to the chill out-style terrace via a majestic marble staircase. 3 double bedrooms with en-suite bathrooms, a modern kitchen, service and guest room complete this floor.

Upstairs we find the master bedroom, which is particularly spacious and has wooden ceilings and an inviting terrace where you can enjoy a very peaceful morning coffee and the warm Mediterranean sun. The property also has a large bathroom with shower and jacuzzi.
