### OVERVIEW

## Great opportunity to renovate a property with high ceilings and mosaic tiles in Valencia Old Town.

In the district of la Seu, very close to the Valencia Cathedral we find this great opportunity to acquire a property in a recently restored nineteenth century building. The impressive entrance hall has a newly installed lift and natural light due to its inner courtyard. The property, ready to undergo renovation, has heating and a kitchen.

Highlights of the property include the high ceilings, which have wonderful hand-painted moldings, and, the mosaic floor tiles which are in very good condition. Excellent value for money to invest in a property in the centre without having to carry out major renovation work.
