OVERVIEW

Located on the fifth floor of a Modernista building we find this sunny 130m² period apartment in perfect condition with 3 bedrooms and wonderful views over one of Valencia's most important public squares.

From the property's elegant, private lobby, we access the main space with large windows overlooking the façade and a lookout balcony. Towards the other end of the property a bright hall leads to the 3 bedrooms, the bathroom and kitchen. On the block courtyard façade is a generous balcony with storage space. The sunny and central location, and the well maintained period floors and mouldings, make this property the perfect choice for lovers of the Modernista movement and the typical architecture of Pla del Remei.
