OVERVIEW

Spacious property to renovate in a historical building near the cathedral.

In a charming location of Valencia City we find this property to renovate at an unbeatable price. The property is located in a building that dates back to the 19th century and that has undergone structural renovation and features a spacious entrance hall. The property enjoys plenty of natural light in all rooms and is surrounded by balconies. Over its 150 years of history, it has hosted the famous water tribunal of the plain of Valencia and is currently used as an office.

A fabulous opportunity to invest due to its price and location.
