OVERVIEW

Property with abundant natural light, to renovate on a central avenue in Valencia's Eixample district.

With an exceptional location, we find this property to renovate. A few metres from the Turia Gardens and the most important shopping area of Valencia, it is within walking distance of everything. The elevated position of the property and the fact that it is on a corner, mean that it is bathed in natural light all day. This wonderful, sunny position makes it a perfect blank canvas for any type of bright and modern design, at a more than affordable price in the most coveted area of the city.
